

Desk Panel DPG1M

The DPG1M is a compact desk panel in the DPG series; it features Bluetooth[®], 2 memory positions and a reminder via a LED to remind the user to use their desk. The DPG is activated by tilting the desk panel in the same direction as the desk is intended to drive, which makes it an intuitive desk panel. The DPG1M features modern discreet and angled design.

The LED reminds the user to change positions via pulsating green and orange light. Using the integrated Bluetooth[®] and downloading the Desk Control App also allows the user to be reminded via notifications on computers and smart devices.
