DESKLINE
IMPROVING ERGONOMICS

The DPH Desk Panel is a small, compact and user-friendly panel, which can be used for all kinds of height adjustable desks from heavy-duty workstations to standard office desks. The desk panel is made of foil and has the basic up and down function for adjusting a desk. Because of a small size the DPH is very easy to integrate in the design of the tabletop of a desk, kitchen table or similar. Besides availability in either black or white, the DPH can be customised.
